

PARISH EDUCATIONAL CONSULTING

“Transforming Schools. Empowering Leaders. Elevating Student Success.”

LEADING • COLLABORATING • EMPOWERING

ABOUT US

Founded by **Dr. Veronica Williams Parish**, Parish Educational Consulting partners with school districts to drive measurable improvements in teaching, leadership, and student achievement.

Dr. Parish is an accomplished transformational leader with a rich history of success as a principal, district leader, assistant professor, and instructional expert. Her leadership has consistently resulted in increased student and staff attendance, elevated teacher morale, stronger parent and community engagement, and a significant reduction in student discipline incidents and out-of-school suspensions.

Known for her prowess in turning around school culture and academic performance, Dr. Parish has successfully designed and spearheaded initiatives that strengthen instructional practices, build leadership capacity, and cultivate safe, high-performing learning environments. Her expansive expertise spans K-12 education, higher education, and correctional education systems.

OUR SIGNATURE 3-PHASE IMPACT MODEL

We apply a systematic approach to customize every engagement and accelerate outcomes:

1

ASSESS

Deeply analyze school data, instructional practices, and organizational systems.

2

ALIGN

Develop targeted, strategic plans highly tailored to your district's specific goals.

3

ACCELERATE

Implement responsive solutions with ongoing executive coaching and staff support.

OUR MISSION

To partner with school districts to improve academic outcomes, strengthen leadership capacity, and create safe, supportive, and high-performing learning environments for all students.

WHY CHOOSE US?

- Proven leadership across multiple educational settings.
- Deep understanding of diverse student populations.
- Strong record of increasing student achievement.
- Expertise in academic instruction & whole-child development.
- Work rooted in purpose, equity, and transformation.
